Dead Companies Walking is something of a biography of an investment career stretching more than 30 years, primarily in the U.S. small/mid cap market and over 20 years of running a hedge fund.

Dead Companies Walking: How A Hedge Fund Manager Finds ...

In Dead Companies Walking, Fearon describes his methods for spotting these doomed businesses, and how they can be extremely profitable investments. In his experience, corporate managers routinely commit six common mistakes that can derail even the most promising companies: they learn from only the recent past; they rely too heavily on a formula for success; they misunderstand their target customers; they fall victim to the magical storytelling of a mania; they fail to adapt
