Mememes of Translation : Andrew Chesterman : 9789027258694

"Andrew Chesterman is one of the few people capable of providing a detailed bird's eye perspective on Translation Studies. In this new edition of the 'Mememes' volume, he has flown over the disciplinary landscape nearly twenty years after his first view, resulting in a commentary that includes updated references to more recent work and his own reflection on the criticism received the first time around.

Memes of Translation: The spread of ideas in translation ...

Andrew Chesterman This revised edition of Memes of Translation includes updates that relate the book's themes to more recent research in Translation Studies. The book contributes to the debate about whether it is worth seeking a coherent theory of translation, by proposing an approach based on norms, strategies and values, which are all seen as kinds of memes, i.e. ideas that spread.

Memes of Translation: The spread of ideas in translation ...

The meme metaphor allows us to see translation in the context of cultural evolution, and also highlights similarities with the philosopher Karl Popper's analysis of another kind of evolution: that of scientific knowledge. A translation is, after all, itself a theory – a theory about the source text.
