Tarot game based on the Zen teachings of Osho.

Our bestselling Osho title, now in a perfect pocket package The Osho Zen Tarot is our number one selling Osho title, with over 360,000 copies sold. The pocket edition takes this beloved tarot card deck + book bundle and shrinks it down to the perfect pocket and travel size. When life seems to be full of doubt and uncertainty, we tend to look to the future as a source of reassurance. The Osho Zen Tarot focuses instead on gaining an understanding of the here and now. It is a system based on the wisdom of Zen, which shows that the outer world simply reflects our own thoughts and feelings, even as we might be unclear about what those thoughts and feelings are.

This title offers a resource for exploring the Zen approach to Tarot. This in-depth study of the meanings of the cards in the Osho Zen Tarot deck should also appeal to those who use the Rider, Crowley and other more traditional cards.

One of the greatest spiritual teachers of the twentieth century encourages you to embrace your childlike curiosity and reconnect it to your adult sensibilities. Innocence, Knowledge, and Wonder: What Happened to the Sense of Wonder I Felt as a Child? looks to each person's last state of innocence-childhood-to recover the ability to truly be curious. Osho discusses why it is important to look to our "inner child" and how it can help you understand the person you have become. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the "1000 Makers of the 20th Century" and by Sunday Mid-Day (India) as one of the ten people-along with Gandhi, Nehru, and Buddha-who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

Offers a method of interpreting the I Ching that used archetypes and symbolism, demonstrating how to understand change and its impact on daily life using cards that feature paintings, symbols, colors, and key words. 15,000 first printing.

Set your intents, break through obstructions and learn methods to manifest your dreams using this book of this amazing tarot divination system! This prophecy book contains explanation of 78 cards of Osho Zen tarot deck, all with their own fairy-tale appearance, as well as a detailed divination layout, origin of tarot, uses of tarot and much more. The divination layout range from simple single card readings to most popular celtic cross card layout. This book will make tarot cards easy to use and read for you. This book is set to turn into a classic for those fascinated by intuition and card divination.

Throughout the centuries, the mystics and sages have used parables as a way to help us more easily remember and reflect on the deepest secrets in life. Osho is a master storyteller of our times, who has an uncommon knack for bringing the timeless wisdom of ancient parables right into the 21st century, in a way that gives us immediate and practical insight into the realities of contemporary life. The emphasis of the deck is not on prophecy or divination-rather, it directs us to the hidden potential of transformation and renewal in every aspect of our daily lives, if we only know where to look for it. Choose a card for the day, and read the accompanying story as a theme for contemplation. Or use as simple spread to explore the dynamics of a relationship, or to gain insight into a specific question. 60 beautiful cards illustrating parables and teaching stories form the world's great wisdom traditions-including Zen, Buddhism, Sufism, Tantra, Tao, Christian and Jewish mysticism. A book containing the parables, summary meanings for each card, the instructions for a variety of simple card readings to gain insight into the challenges and opportunities of everyday life.

Only once in the history of human consciousness, says Osho, has a thing like Zen come into being. In Zen: Its History and Teachings, the noted mystic explains that Zen has no rituals, no chanting, no mantras, no scriptures - only short, evocative parables and teachings that make it ideal for the modern seeker. Using his characteristic humorous, encouraging style, Osho guides readers through the origins and development of this seminal spiritual tradition that is neither religion nor dogma nor creed. He provides a context for those who have not been born into the Zen tradition, introducing them to its timeless approach to existence. The book argues that the only preparation for fully experiencing Zen's power is meditative awareness, and Osho presents simple techniques to achieve this awareness. Stunning color photographs throughout offer further inspiration and illumination.
