In Eu Te Amo, lust comes out of self-preservation, an instinct to provide for certain emotions, but with the respect for other people's wills. Sexuality and the need to be sexual with another person may not be the only way to achieve self-love, but this film shows that it is the way these two people are attempting to achieve it, and if they end up caring about each other, so much the better.

Te amo I love you is very different from the books which I have read this year, especially by Indian authors. It has its own league. I found it very different from the books written by Durjoy, Ravinder and Bhagat. It is an action packed Romantic love story, which breezes like a hollywood romantic thriller. It is a remarkable debut by the author.
