The imposters handbook pdf download free. Here's a little gem that I came across a few weeks ago, thanks to Twitter: Conery, R., Impostor Handbook (2016), 111 Jackson, Seattle WA 96714: Big Machine, Inc. Linked website on Github contains code in various languages (mostly JS). Out of curiosity I bought an electronic version, and the PDF is beautifully typesetted by the way (except for the mathematical equations that turn out to be using an ugly and largish font).

## **The imposters handbook pdf download free**

The book is a little uneven at times -- it takes a weirdly detailed detour into how to write a Makefile script at the end, for example -- but is really a great resource for "imposters" who My
