Touchstone Student's Book - Level 3 - Unit 07 - Cambridge Press Using the eBook Reader at Townsend Press How to log in to Townsend Press

Introduces "260 words and 40 word parts" that are needed for general reading comprehension in high school and college.

This instructor's edition of a vocabulary textbook for college students, who read at the fifth to eighth grade level, features 25 chapters and teaches 250 basic words. The first and third chapters in each unit contain word-part practices. The second and fourth chapters in each unit contain synonym-antonym practices. The book's last chapter in each unit contains an analogy practice, review, and test. Also included is an answer key, a section on dictionary use, and a word list. The student edition is identical to the instructor's edition except that answers are not provided. (CR)

Helps students learn essential words and word parts that are needed for general reading comprehension in high school, college, and the everyday work world.

Helps students master 300 important words and word parts that are needed for general reading comprehension in high school, college, and the everyday work world.
